Definitions:

- I. Active matches are defined as those that consistently comply with all the minimum requirements.
- II. Involved matches are defined as those that only partially comply with the basic requirements.
- III. Terminated matches are defined as those that do not comply consistently with the minimum requirements for a period of over 2 months.

A. Description, Contract Capacity and Unit of Service**1. Service Description**

This service recruits, trains and supervises individual mentors, who are matched with a youth ages 14 to 21, as an adult mentor for a minimum of one year.

2. Contract Capacity

The contractor will provide a total number of ___ active matches annually.

3. Payment Mechanism and Process

The Department agrees to fund each unit of service slot at a rate of \$1,250.00, annually. This is an inclusive rate covering all expenses including, but not limited to, transportation, meals, recruiting, training, etc. The contract funding level shall not exceed the formula of:

Number of matches being contracted for x \$1,250.00 = contract funding level

B. Service Delivery Requirements**1. Target Population**

The target population includes male and female youth ages 14 years old up to but not exceeding age 21 that have been referred to the contractor by DCF. The focus will be to provide mentoring services to DCF committed youth who are residing in the towns identified in this contract. These youth will be residing in foster homes; group homes (excluding PASS group homes); transitional living apartment programs; Community Housing Assistance Programs (CHAP); or residential settings.

2. Referral Process

The contractor will accept all referrals that meet the target population for this service. All referrals will be DCF involved youth. The contractor will work to establish mentors for referred youth based upon the following order of priority:

- a. Youth in foster care
- b. Youth in Group Home care, excluding PASS Group Homes
- c. Youth in transitional living apartment programs, excluding SWETP
- d. Youth in independent living or Community Housing Assistance Programs (CHAP)
- e. Youth in residential treatment settings

The matching of mentors and mentees will be conducted through the use of a standardized Interest Inventory tool that focuses upon general interests, hobbies, skills, times of availability, etc. The OOMP Program Coordinator (PC) will meet with both the mentor and mentee for an interview before a match is completed.

3. Length of Stay

Length of stay is defined as the length of a match. There is a minimum program requirement of one year for the length of the match. Active matches may exceed the one year time period as long as both the mentor and mentee continue to meet the program basic requirements : three (3) meetings a month at minimum, weekly phone contact,

attend four (4) scheduled group events and one (1) scheduled yearly agency-wide event ,and provide regular written mentor and mentee surveys to the Program Coordinator.

4. Recruitment and Screening of Mentors:

The contractor will recruit mentors who demonstrate stability, maturity, and the capacity for commitment to youth. The screening of potential mentors will include police checks, Protective Services checks, and motor vehicle history checks to be done by DCF, a minimum of two references, and an individual interview conducted by the contractor.

5. Training of Mentors:

All prospective mentors are required to complete DCF Mentor Training prior to being considered eligible to be matched with a mentee. The contractor will provide at least three (3) hours of orientation/pre-service training. Training topic will be based on a written curriculum which has been reviewed and approved by DCF. The training will include, but not be limited to: separation and loss; out of home care issues, adolescent development; youth leadership development; listening skills; expectations of mentors; appropriate boundaries in mentor-mentee relationships; confidentiality; cultural competency; low cost area activity resources; independent living skills training and guidance; tutoring skills; vocational skills; and the importance of the first meeting.

6. On-going Supervision and Support of Mentors:

Mentors will be supervised by the OOMP Program Coordinator (PC). The OOMP PC will review and discuss the mentor-mentee relationship with each mentor and mentee at least once a month and other times as needed. The OOMP PC will facilitate a bi-monthly group meeting for all mentors for the purpose of support and on-going training and supervision. Training topics will include the above mentioned topics. The mentor and mentee will complete a mentor program evaluation form once a year. The OOMP PC will provide, twice a year, a Recognition Event such as awards dinner, picnic, sports activity, etc. for all the mentors and mentees within their agency.

7. Documentation of Contacts:

The OOMP PC will keep on file monthly reports summarizing each mentor's contact with each youth, including the number of contacts, nature and type of contact. The OOMP PC will keep on file monthly contact logs with the mentees caregiver regarding the mentor program.

8. Mentor-Mentee Group Activity:

The OOMP shall be responsible for providing a group activity such as an awards dinner, picnic, sports activity, etc. at least twice a year. All mentors and mentees will be invited to these group activities.

9. Operating Hours

The OOMP will be operational 52 weeks per year. The OOMP PC, or approved designee, will be available to mentors and/or mentees 24 hours a day through cellular phone and/or voice mail access. Crisis plans are developed with each mentor including an after hour and weekend support plan. Each mentor and mentee will be provided with the DCF Hotline telephone number.
