**Complaint /  
Grievance  
Procedure**

The Department of Children and Families has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by any of the above Acts or implementing regulations. The Law and Regulations may be examined in the office of Ken Mysogland, Ombudsman, (Local: 860-550-6301, Toll-Free: 1-866-637-4737), who has been designated to coordinate the efforts of the Department of Children and Families to comply with the laws and regulations.

Any person who believes she or he has been subjected to discrimination may file a grievance under this procedure. It is against the law for the Department of Children and Families to retaliate against anyone who files a grievance or cooperates in the investigation of a grievance.

**Note: Employees or Applicants for employment who wish to file a grievance should utilize the Complaint process under DCF Policy 9-1 "Discrimination Complaints".**

**Complaints received by the Ombudsman relating to employment matters may be referred to the Office of Diversity and Equity for handling as set forth under DCF Policy 9-1, "Discrimination Complaints."**

**Procedure:**

- Grievances must be submitted to the Coordinator within **180** days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Coordinator (or his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it must be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Coordinator will maintain the files and records of the Department of Children and Families relating to such grievances.
- The Coordinator will issue a written decision on the grievance no later than 30 days after its filing.
- The person filing the grievance may appeal the decision of the Coordinator by writing to the **Commissioner** within 15 days of receiving the Coordinator's decision. The Commissioner shall issue a written decision in response to the appeal no later than 30 days after its filing.
- The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination with the US Department of Health and Human Services, Office for Civil Rights.

The Department of Children and Families will make appropriate arrangements to ensure that disabled persons are provided other accommodations, if needed, to participate in this grievance process. Such arrangements may include, but are not limited to, providing interpreters for the deaf, providing taped cassettes of material for the blind, or assuring a barrier-free location for the proceedings. The Coordinator will be responsible for such arrangements.

**Other agencies** Individuals may file claims as permitted with other agencies such as:

- Connecticut Commission on Human Rights Organization
  - Department of Justice / Civil Rights Division
